

Millionaire health clinic opens

A medical clinic offering five-star hotel service has opened in Moscow with an eye on Russia's millionaire class.

The clinic, which can accommodate 50 VIPs at the same time, will provide state-of-the-art equipment and medical services currently available only in a number of clinics in the West, ITAR-TASS reported Tuesday.

Psychotherapist Artyom Tolokonin said the clinic hopes to attract wealthy Russians and millionaires from other countries.
